2019 Parking Update

There is significant construction happening in the Marina High School parking lot this year. Please pay extra attention to this map, even if you have been to Beach Blitz before.

* Anyone arriving **before 2:00 PM on Friday** should park on the **blacktop**. Anyone arriving after this time may look for parking in other locations.

* Please leave the designated area for **Key Volunteers** to allow them closer access to the field.

* **Trailers** must be parked on the **blacktop** during the entire event. There is a fence that will be locked overnight.
